## OUR ORGANIZATION

In its early days, The Hand laid the foundation and provided the driving force behind the establishment of the Wellib, setting it on a path of growth and accomplishment.

While in the Interim period, the operation of our Wellib will be overseen by an executive board consisting of members from The Hand.

In the future, the organizational plans include the formation of a board of directors composed of members who will be elected from the sponsoring organizations.

The Wellib is committed to staying ahead of the curve and embracing opportunities to better serve its community, fostering a culture of lifelong learning, innovation, and connection in the years to come.
